Our Hampton model is a lovely manufactured home for sale in the capital metropolitan city of Austin, Texas. The generous open living space in this home design provides a sense of comfort for the whole family. At the same time, your luxurious master suite will offer you some private relaxation at the end of your day with a spa-like bath that includes a roman tub and separate shower, dual sinks and plenty of built-in storage. Other family members will also enjoy spacious bedrooms with walk-in closets and an easy access bathroom. An open concept floor plan features a large island with double sinks and plenty of counter space to pull up seats for breakfasts or perhaps entice your friends with hors d’oeuvres.

Features: Air conditioning; Carpeted floors; Dishwasher; Microwave; Patio/deck/porch
