Our Milan model in Amarillo, Texas, invites you to relax with friends and family on a lovely front porch that spans the front of this manufactured home. A sliding glass door provides convenient entry to the kitchen for that coffee refill you were wanting. In the kitchen, you'll find old-fashioned country kitchen quality features like an extra-large sink and white country cabinets topped with crown molding and display cubbies for your treasures. Stylish black appliances are included, too. Your master suite connects to private bathroom with double sinks equipped with quality Moen faucets and double seating in the shower. Double shelves are included in your master suite walk-in closet. Adjacent second and third bedrooms share a conveniently located bathroom. A side deck entry into the open living room-kitchen space provides easy access to the whole Milan model home. Come and tour our inviting Milan manufactured modular home for sale and you are sure to find plenty of great neighbors.
